

Marco Bulk Bag Rack Stand allows you to use abrasives in bulk bags for 3.0, 3.5, 6.0, 6.5, 10.0, and 20.0 Cu. Ft. Blast Pots. By utilizing abrasive in bulk bags instead of smaller 50 or 100 lb bags, material and labor costs can be greatly reduced. The Marco Bulk Bag Rack Stand can be used with most major bulk rack manufacturers. Typical applications include blast rooms, blast yards, offshore platforms, oil refineries, pipelines, and storage tanks.

INCREASED PRODUCTION

The Marco Bulk Bag Rack Stand allows the utilization of bulk bags up to 4,400 lbs, reducing filling time and reducing operator/worker fatigue by removing the lifting of small capacity bags of abrasive.

REDUCED COST

The Marco Bulk Bag Rack Stand enables the use of bulk bagged abrasive with 3.0, 3.5, 6.0, 6.5, 10.0, and 20.0 Cu. Ft. Blast Pots, reducing abrasive costs.

COMMITMENT TO QUALITY

Our commitment to producing the highest quality products in the industry demands strict control over our raw materials and manufacturing processes. All components used in the manufacturing of Marco products adhere to strict process controls as specified by Allredi's Quality and Engineering team.

Designed for mobility, the Marco Bulk Bag Rack Stand includes an integrated fork-pocket skid.

The Marco Bulk Bag Rack Stand includes an abrasive funnel with latching door, 4" slide-gate and mounting system to prevent material loss and efficiently channel abrasive material into the blast pot.

The Marco Bulk Bag Rack Stand includes a set of locking pins for securely mounting a bulk bag rack.

KEY FEATURES:

- Options For Use with 3.0, 3.5, 6.0, 6.5, 10.0, & 20.0 Cu. Ft. Abrasive Blasting Pots
- All-Steel Frame
- Mounting Pins
- Fork-Pocket Skid
- Includes Steel-Constructed Funnel & Mounting System
- Includes 4" Slide-Gate to Control Material Flow into Blast Pot
- Compatible with Marco Bulk Bag Racks
- Retrofit Options Available
- Utilize Bulk Bags up to 4,400 lbs

OPTIONAL ACCESSORIES

Marco Heavy-Duty Bulk Bag Rack

Marco Heavy-Duty Bulk Bag Rack features gusset reinforced legs, tapered sides, four lifting lugs, forkpockets, and a swing gate for moving around the work site.

Bulk Abrasives

A variety of abrasives are available in bulk bags or by truckload.

Blast Nozzles

A wide variety of blast nozzles are available to meet even the most challenging work site requirements.

Blast Pot Lids Screens, & Funnel

Blast pot lids, screens, and funnels help keep damaging debris out of the blast pot.
